ARTICLE 1 – PURPOSE

Pursuant to the provisions of Massachusetts General Laws, Chapter 150E, Section 4, this agreement is made this day of July 12, 2018 by and between the Leicester School Committee (hereinafter referred to as the Employer) and the International Union of Public Employees, Inc. (IUPE) (hereinafter referred to as the Union), and has as its purpose the promotion of harmonious relations between the Employer and the Union.

ARTICLE 2 – RECOGNITION

Pursuant to certification issues by the Department of Labor Relations on August 25, 2015 in Case Number MCR-15-4540, the Leicester School Committee (hereinafter "Employer"), Massachusetts, recognizes the International Union of Public Employees, IUPE, (hereinafter "Union"), as the sole and exclusive bargaining agent for the following unit: all full-time and regular part-time clerical and administrative support employees employed by the Leicester School Committee, excluding all managerial, confidential, casual and other employees.

ARTICLE 3 - EMPLOYER'S RIGHTS

The Union recognizes that the School Committee and the Administration must provide quality, efficient and economical operation of its schools and to promulgate reasonable rules and regulations thereof. To this end, the District retains and reserves all regular and customary functions of management and all powers, rights, and duties it has under law, except as abridged, delegated, granted, or modified by this agreement. These rights include but are not limited to:

- maintain order and efficiency
- select, hire, promote and direct the employees in accordance with the requirements, enrollment needs, and financial needs of the schools and to determine the place where work is to be performed.
- assign, reassign and schedule all duties and assignments
- determine the quantity and types of equipment to be used
- introduce new methods and facilities
- determine staffing requirements and the number and location of facilities
- determine whether the whole or any part of the operation shall continue to operate
- determine the qualifications for positions
- demote, suspend, discipline or discharge
- layoff employees for lack of work or lack of funds subject to the terms of this agreement

ARTICLE 4 - PROBATIONARY PERIOD

The first ninety (90) days of continuous service by a newly hired employee shall constitute such employee's probationary period. At any time during the probationary period a newly hired employee may be terminated at the sole discretion of the Employer, and said termination is not subject to grievance or arbitration.

ARTICLE 5 - CHECK OFF/UNION SECURITY

After 30 days of employment an employee may tender monthly membership dues charged by the Union by signing a payroll deduction authorization form. During the life of this Agreement and in accordance with the terms of the authorization from hereinafter set forth, the Employer agrees to deduct from each pay period, dues levied in accordance with the Constitution of the Union and remit the aggregate amount to the Treasurer of the Union on a monthly basis.

ARTICLE 5A - AGENCY SERVICE FEE

- A. Commencing on the effective date of this Agreement, all employees who are members of the bargaining unit will be required as a condition of their employment to pay an authorized biweekly agency service fee (to be deducted from the employee's paycheck) unless they become members of the Union within thirty (30) days. Said fees will be in an amount determined in accordance with all state and federal laws and regulations and will reflect the costs of collective bargaining contract administration and other permissible charges, except that in no case will the fee be greater than the annual dues of the Union.
- B. This Article will not apply to any employees who have authorized the Town Treasurer to deduct Union dues under Article 5 of this Agreement.
- C. It is understood by the School Committee and the Union that deduction of the agency service fee will be made by the Town through the Treasurer only during the existence of an executed Agreement between the School Committee and the Union.
- D. The collection of the fee (with the exception of Authorized payroll deduction) shall be solely the responsibility of the Union, and the District shall not be responsible for the implementation, collection or enforcement of the fee, except that it will supply, on demand, any required documentation to establish that an individual refusing to pay is a member of the bargaining unit.
- E. The Union will enforce payment of the agency service fee. The District will not be required to take any action regarding the employment status of an individual who refuses to pay the agency service fee.

ARTICLE 6 - NO STRIKE/NO LOCKOUT

During the term of this agreement there shall be no strikes, work stoppages or slowdowns of school operations by the Union or its members. The employer agrees not to lock out any employee covered by this agreement.

ARTICLE 7 - DISCIPLINE

The Superintendent may impose disciplinary action for just cause. Disciplinary action may include, but is not limited to:

1. Oral reprimand
2. Written reprimand
3. Suspension
4. Discharge

The School Committee or representative will give written notice to employees within five (5) days of imposing 3 and 4 above and will forward a copy to the Local Union President.

Written notice regarding suspension will specify the number of days imposed. Disciplinary actions under items 3 and 4 above can be taken up at the second step of grievance procedure.

No employee will be terminated or suspended for more than five (5) days without a hearing. Hearings will be held before the Principal in the first instance, unless it involves a decision made by the Superintendent, in which case, s/he will be the sole hearing officer. If a suspended or terminated employee disagrees with a decision of a building principal, the aggrieved employee may appeal to the Superintendent for a hearing.

ARTICLE 8 - GRIEVANCE PROCEDURE

A grievance shall be defined as a dispute concerning the interpretation, implementation, or application of this collective bargaining agreement. The purpose of the procedure set forth is to produce prompt and equitable solutions to those problems which from time to time arise and affect the conditions of employment. The Committee and Union desire that such procedure be as informal and confidential as may be appropriate for the grievance and level involved.

Level One: An employee or group of employees having a grievance shall present it in writing through the Union steward or bargaining representative, to the immediate supervisor/designee, stating specifically what article or articles of the collective bargaining agreement the employee believes to have been violated. This must take place no later than ten (10) working days after the employee is aware or reasonably should have been aware of, the event or events giving rise to the grievance, but not to exceed 30 school days from the event or events giving rise to the grievance. The immediate supervisor/designee shall have ten (10) working days to respond to the grievance and, depending on the nature of the grievance reserves the right to confer with the Superintendent/designee.

Level Two: If the employee is not satisfied with the immediate supervisor's or his/her designee's response, the employee, together with his/her union representative, may appeal the grievance to the Superintendent; such appeal must be filed within ten (10) working days of the date of the answer from the immediate supervisor/designee. The Superintendent or his/her designee will have ten (10) working days to give his or her answer to the grievance in writing.

Level Three: In the event that the aggrieved employee is not satisfied with the decision of the Superintendent, the Union, within ten (10) working days after receipt of the decision of the Superintendent, may submit the grievance for arbitration to the Massachusetts Board of Conciliation and Arbitration. Any such arbitration shall be conducted in accordance with the rules of the Board of Conciliation and Arbitration. The Arbitrator or arbitration panel shall be without power to add to, subtract from, or modify in any way the provisions of this Agreement. The costs of arbitration shall be borne equally by the parties.

Failure of the employee or the Union at any stage of this procedure to appeal the grievance to the next level within the time specified shall be deemed to be acceptance of the decision rendered at that level.

The grievant shall have the right to use at his/her presentation of any level of this grievance procedure, representation of his/her choosing but not normally to exceed two (2) representatives.

Failure by the Superintendent to respond within the time limits set forth in the Article shall be deemed a denial of the grievance at that step of the grievance process.

Any time limits contained in this Article may be waived by agreement of the parties.

ARTICLE 9 – SENIORITY

The length of continuous service of the employee in the bargaining unit shall determine the seniority of the employee. In the cases of a newly recognized unit, all members coming under contract will retain their length of service from their date of hire. (See Appendix A – Seniority List)

The principle of seniority shall be the governing factor in all cases of transfer, preference in vacant shift assignments (excluding promotions) and choice of vacation periods. In cases of promotion, seniority shall be considered along with qualifications, ability and experience.

Any changes made pursuant to this article that involve a change of building are subject to the approval of the building principal at the location of transfer and are subject to prior approval by the Superintendent.

ARTICLE 10 – EVALUATION

The evaluation process is intended to be a positive approach to enhance Employer and Employee relationships and is to be used as a tool for both parties to have a clear understanding of the expectations of the job and employee performance. It is not intended to replace or to be used in conjunction with matters of discipline however; an evaluation may be used as support documentation by the principal or Superintendent /designee for disciplinary reasons.

The evaluation will be an objective analysis of the Employees' job performance. Evaluations shall be conducted annually and provided to the employee prior to June 1. Employees shall have five (5) days to review the evaluations and shall be afforded the opportunity to meet and discuss the contents of the evaluation with the evaluators if requested. A bargaining unit member may submit a rebuttal to be attached to the evaluation form and put in the employee's official personnel file. An employee cannot grieve his/her evaluation beyond Step 2.

ARTICLE 11 - HOURS OF WORK

Employees covered by this agreement are "academic year (10-month) employees" based upon the work year established by the District. The District shall determine each employee's work year and work schedule and reserves the right to adjust the schedule as needed to serve the best interest of the District. Such academic year employees may work a certain number of days (i.e. 170, 180, or 190 days) and hours (i.e. 6 hours per day, 6.5 hours per day, 7 hours per day) as established by the District. Hourly employees may take on additional assignments during the summer months or before or after school at the rates established by the district for those additional assignments.

If the employee's absence from duty recurs frequently or habitually, and when in the judgment of the Superintendent there appears to be reasonable cause, a medical certification from a physician shall be required. For any absences of more than ten (10) consecutive days a doctor's certificate shall be required indicating that the employee is permitted to return to full duty.

To be eligible to use paid sick leave, an employee must report the illness or injury to their immediate supervisor as soon as is reasonably possible, but in no event less than one hour prior to such employee's scheduled reporting time on the first day of absence (unless prevented from doing so for reasons of emergency) and shall also notify the immediate supervisor not later than the evening before the day in which the employee intends to return.

Employees hired prior to July 1, 2008, upon retirement under Massachusetts General Laws or death, shall be able to "buy back" a maximum of twenty (20) days of accrued sick leave. Employees hired on or after July 1, 2008, upon retirement under Massachusetts General Laws or death, shall be able to "buy back" 1/3 of their total accumulated sick leave, to a maximum of twenty (20) days.

ARTICLE 15 - PERSONAL LEAVE

An employee must work at least twenty (20) hour per week to be eligible to receive personal leave time benefit. All eligible employees will be entitled to three (3) personal days per year. A personal day will be considered as a day off with pay by an employee, for their regular working shift within a 24 hour period. During an employee's first year of employment, 1 day of personal time will be received for every four (4) months worked. If an employee is unable to use all of his/her personal time in any given school year, then said time shall be added to the employee's sick time.

No more than 2 personal days can be taken at a time and personal days cannot be taken in conjunction with holidays or vacations or first or last week of any school year with exceptions only at the discretion of and with prior written approval of the Superintendent.
